

August 25, 2009

Each year the Twin Oaks Valley Equestrian Association (TOVEA) hosts the Poker Ride and Stride in October. This annual event is held to benefit the equestrian facilities at the City of San Marcos' Walnut Grove Park. This park is the only local public equestrian facility and is used throughout the year for a variety of horse shows, as a fire evacuation center when necessary, and as a starting point for entering the extensive city-wide network of trails. We are writing to you to ask for your help with donations toward our silent auction. This family oriented event draws a large crowd with entertainment and activities for all ages.

Community members and equestrians participate by collecting contributions and sponsors. This year we hope to raise even more money by holding a silent auction and need your help. Local businesses like yours are popular with families in the Twin Oaks Valley and surrounding North County communities that participate. Please aid us in our quest to better the equestrian facilities at Walnut Grove Park which is used daily by local horse enthusiasts and community members who share our beautiful Twin Oaks Valley. Please contact me at (760) 752-3251 or janet.parillo@gmail.com if you can help.

Thank you for your consideration in this matter as our event is fast approaching.

Sincerely,

Janet Parillo
Treasurer, TOVEA
